

A Tuition-Free, K-12 Classical Public Charter School

Why does NEOCA need donations?

Why do donations matter?

- NEOCA is self-funded until the school opens in September 2024.
- NEOCA is operated by a volunteer Board. 100% of donations received are applied toward activities required to launch the school.
- NEOCA must fund the purchase and repair of a school facility.
- NEOCA must also fund all marketing and communication efforts, all government licensing and certification efforts, and all of the work required to open a public school.
- NEOCA is a state registered 501(c)3 non-profit entity. Your donations are 100% tax deductible.

Please consider making a donation today!
