

A Tuition-Free, K-12 Classical Public Charter School

NEOCA - Our Hillsdale College Affiliation

Hillsdale does not own, govern, financially support, or manage its affiliated schools. Rather, all the schools guided by Hillsdale, including NEOCA, are established as a collaborative effort between the College and a local founding group that assembles a **team** to develop a plan and launch the school. As a Candidate Member School, NEOCA's relationship with Hillsdale includes their ongoing assistance with many things including vetting **Head of School candidates**.

Northeast Ohio Classical Academy - opening Fall 2024

As **NEOCA** opens in Fall, 2024, we will become a full **Hillsdale Member School** and be on the map! To its Member Schools, Hillsdale provides the design of our educational program, student and teacher recruitment best

practices, and ongoing professional leadership and staff development.

The result? A high-performing **American Classical Charter School** with a strong, proven, classical curriculum taught by well-

educated and articulate teachers, enhanced by strong parent involvement!
